# Alliances for Innovation

*The Alliances for Innovation aim to strengthen Europe's **innovation capacity** by boosting innovation through **cooperation and flow of knowledge** among **higher education, vocational education and training** (both initial and continuous), and the **broader socio-economic environment, including research***

*They also aim to boost the **provision of new skills and address skills mismatches** by designing and creating new curricula for higher education (HE) and vocational education and training (VET), supporting the development of a sense of initiative and entrepreneurial mind-sets in the EU.*
