What to consider when writing a CBHE proposal?

What is a successful proposal ?

It is not just **succeeding in being selected, but in delivering the expected results**

Smooth implementation highly depends on the amount of time you invest in the preparation!

As an applicant interested in CBHE, what should I start with?

At first, you need a concrete **project idea** addressing a **specific need**

Once the idea is defined, **start locally** in your institution consulting colleagues and departments with experience in international projects

Find the **right partners** for establishing an international partnership based on trust and shared objectives

Read the entire CBHE **documentation** available

Consult the **Erasmus+ National Agencies, National Erasmus+ Offices, Erasmus+ National Focal Points, EU Delegations** on the specificities of their Countries

A competitive application...

- ✓ demonstrates that the **combination of all its elements** will produce **concrete and sustainable results** for the benefit of all the parties concerned
- ✓ has been **prepared and agreed jointly** by all **consortium partners**
- ✓ has received the **full institutional commitment** and support of **all consortium partners**
- ✓ is **ready to start** immediately after the selection decision

KEY WORDS for a competitive application

Coherent in its entirety

- avoid contradictions; avoid "patchwork"

Concrete

- use examples, justify your statements, bring evidence

Clear

- follow the questions and answer them in the right order

Simple language

- also complex subjects can be explained in a plain language. Keep most sentences 10-15 words long.

Explicit

- do not take anything for granted; do not assume experts will always understand; avoid abbreviations or explain them the 1st time

Rigorous

- the application is the basis on which your project will be implemented; it is also the cornerstone of your partnership commitment

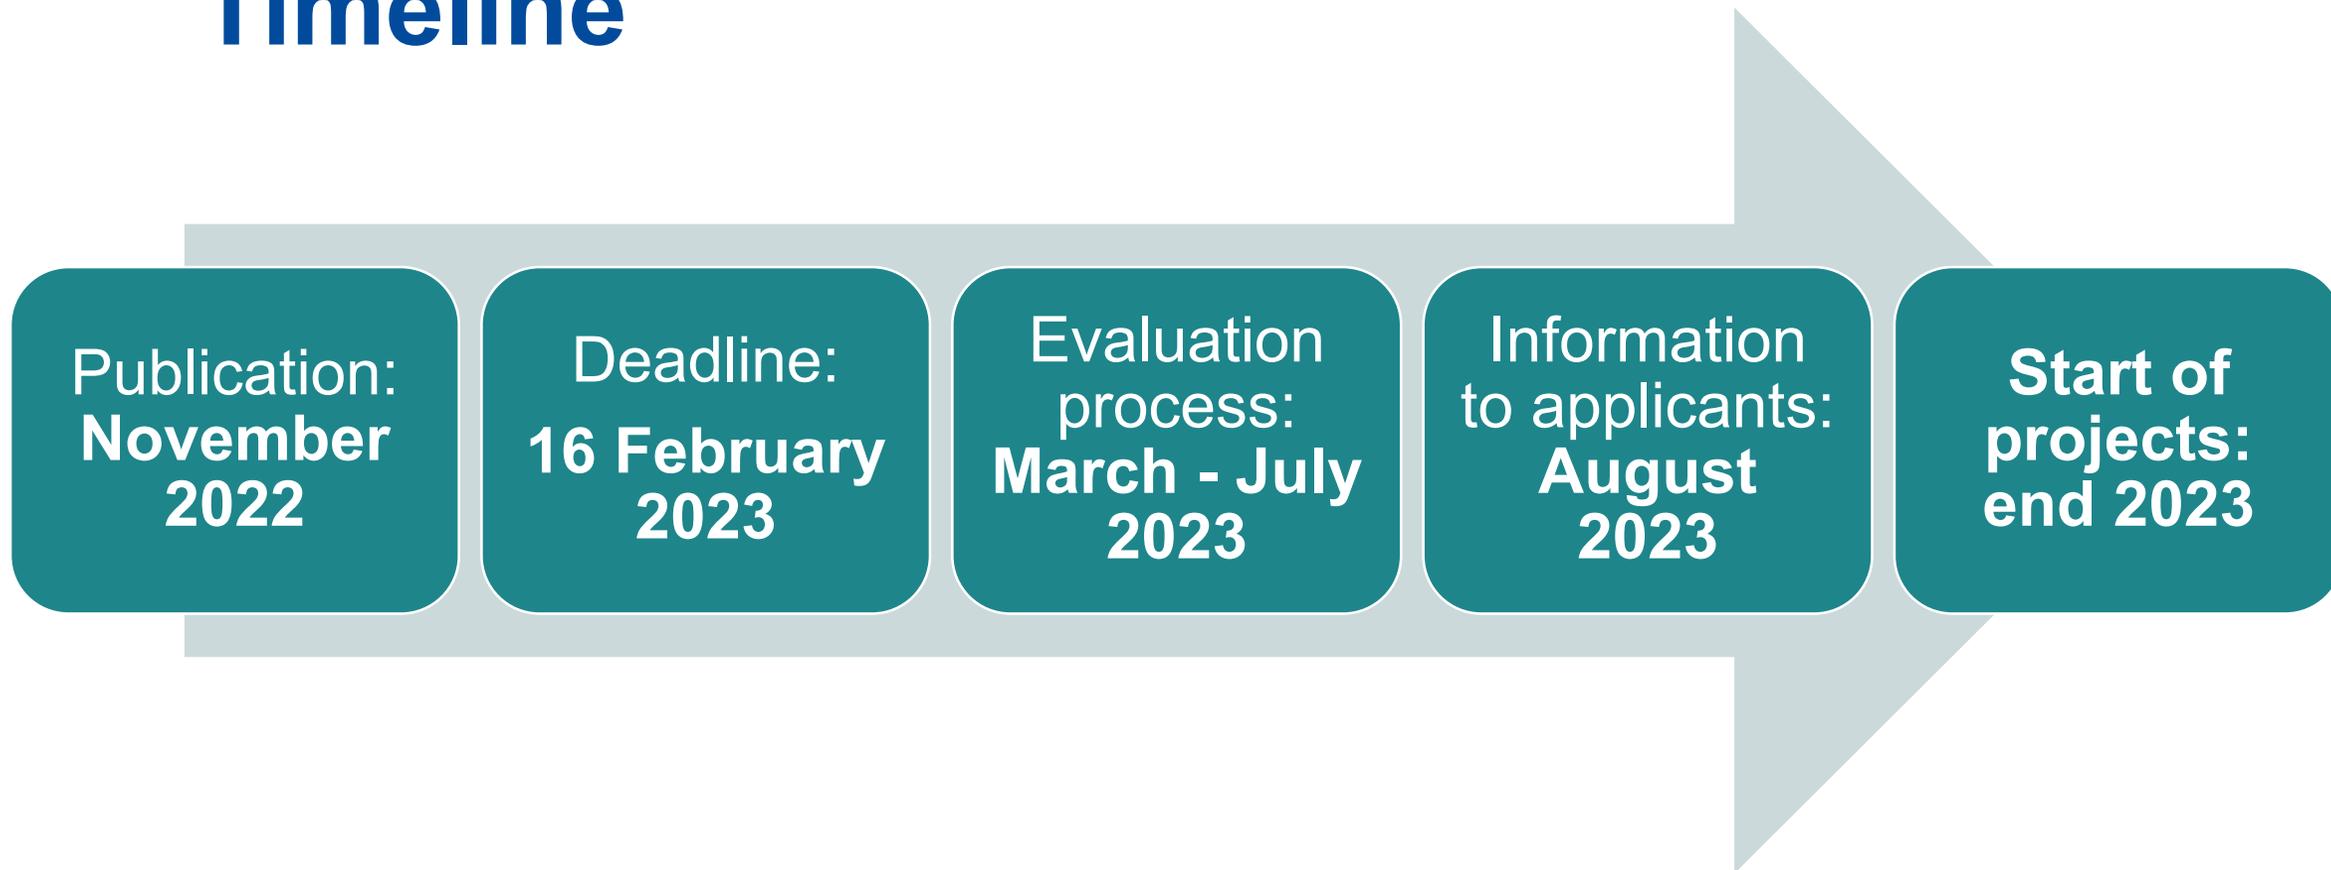

Focused

- stick to what is asked

Complete

- ensure you have followed all the instructions and that the proposal fulfils all the mandatory requirements
