HOW TO PARTICIPATE

Before creating your proposal

You will need the following:

1. To have a **valid EU Login account**. If you do not have EU Login you can create it [here](#).
2. Your organisation must have a **9-digit PIC** (Participant Identification Code). If your organization is not registered in the Participant Register you can register it at <https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/how-to-participate/participant-register>.

The screenshot shows the 'EU Login' interface. At the top, it says 'EU Login' and 'One account, many EU services'. There are links for 'Where is ECAS?' and a language selector set to 'English (en)'. The main heading reads 'FPFIS requires you to authenticate' followed by 'Sign in to continue'. The login form has a field for 'Use your e-mail address' with a 'Next' button and a link to 'Create an account'. Below this is an 'Or' separator and a section for 'Or use the eID of your country' with a 'Select your country' button. At the bottom, it promotes the 'ECAS app' with download links for the App Store, Google Play, and Microsoft.

HOW TO PARTICIPATE

Finding PIC

Find your organisation

You may enter a (complete or partial) organisation name (e.g. "Oxford" or "University of Oxford"). Entering additional information like country/city usually leads to better results. You may also search based on VAT number of the organisation in international format (e.g. "GB123456789")

Type your organisation name or PIC

1	This workbook for Lump Sum calculation must be uploaded in the Submission system as a mandatory document in annex to the application. Please note that if you do not upload the fully completed Excel workbook as an annex, the application cannot be submitted (the system will not allow you to submit).
