Forward-Looking Projects

**Priority 7:
Support to the Pact for
Skills**

Priority 7: supporting the Pact for Skills

- **Purpose:** Supporting partnerships that have joined the Pact for Skills with actions including but not limited to:
 - Development of governance structures or arrangements connecting members
 - Definition, implementation & monitoring of the concrete commitments
- **Who can apply:** Specific eligibility criteria. Only organisations that have signed the Pact as partnerships (in the application form).

Activities for this priority

Projects will implement **all these activities**:

- Develop & support **governance structures** or **arrangements connecting members** within the same Pact for Skills partnership;
- **Develop & support cooperation** of big companies with SMEs, and among SMEs, that are members of the same Pact for Skills partnership in the field of training;
- Support the **definition, implementation & monitoring of the concrete commitments** of the Pact for Skills partnership, such as:
 - gathering skills intelligence,
 - upskilling of low-skilled people,
 - reskilling people for new tasks in their jobs, reskilling of people from other sectors with skills transferable to the own sector, with a particular view on integrating refugees from Ukraine into the labour market.

Specific aspect to be assessed

Specific aspect to be assessed as part of the award criteria for “Priority 7 – Supporting the Pact for Skills”:
