

Erasmus+ Capacity building in VET

Objectives and activities

Online Info Session 7/12/2022

Pavol KREMPASKÝ (EACEA)

AIM

Capacity building projects are **international cooperation projects** based on multilateral partnerships between organisations active in the field of VET in:

- EU Member States
- Third countries associated to the Programme
- Third countries not associated to the Programme

They aim to support the

- **Relevance**
- **Accessibility**
- **Responsiveness**

of VET institutions and systems in third countries not associated to the Programme

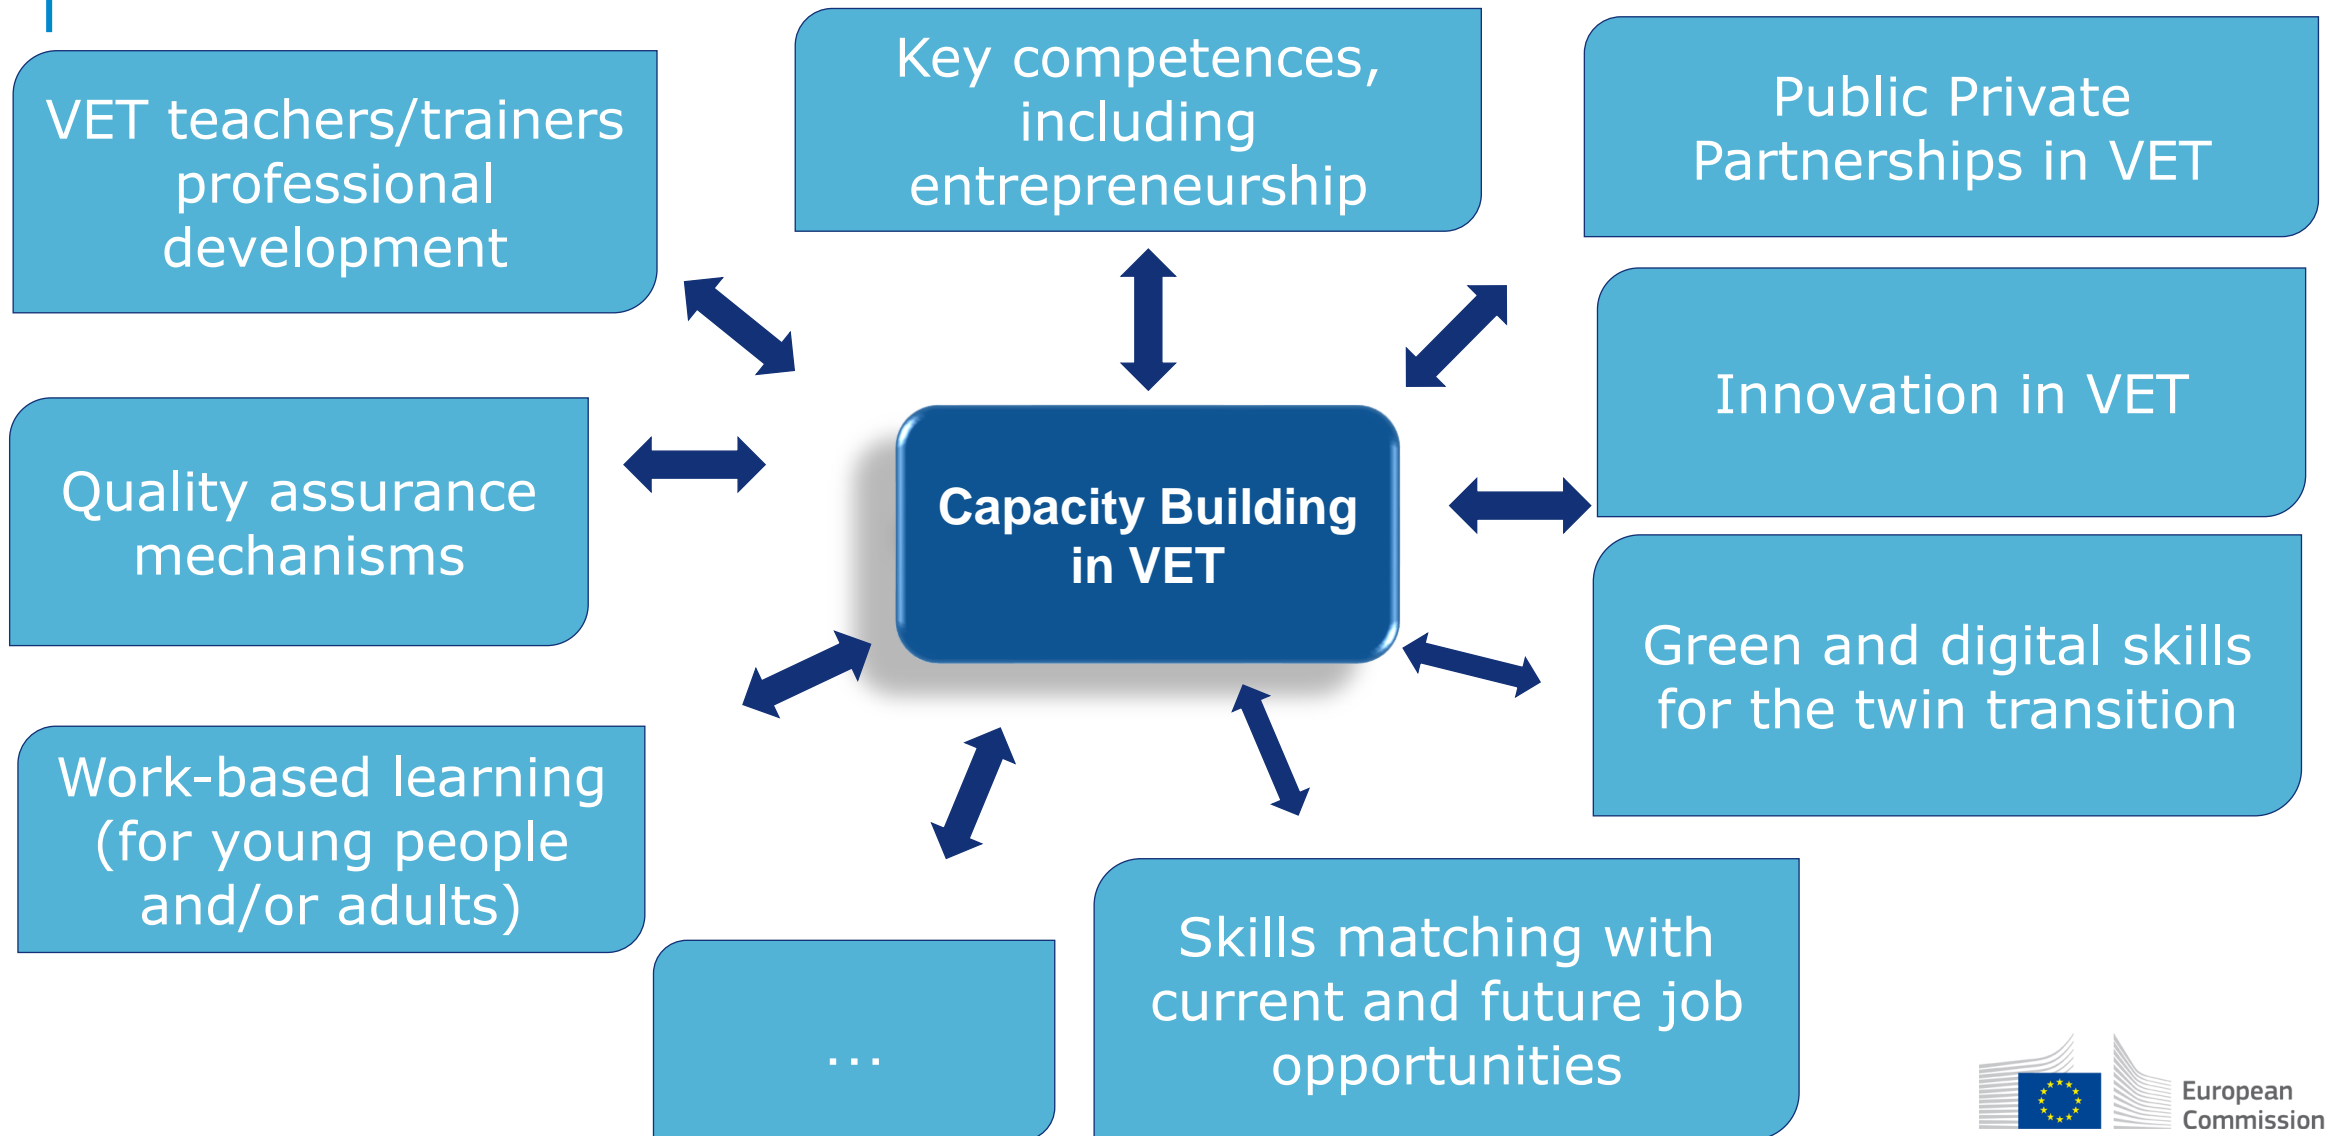

OBJECTIVES

- **Build capacity of VET providers to strengthen cooperation between private and public stakeholders** in VET for demand-oriented and opportunity-driven VET interventions
- Improve the **quality and responsiveness of VET** to economic and social developments to enhance the labour market relevance of skills provision
- Align VET provision to **local, regional and national development strategies**

THEMATIC AREAS – Focus on one or more

ACTIVITIES

Building and strengthening the capacities of organisations active in the field of VET **principally in the third countries not associated to the Programme covered by the action**

For example:

- Creating and developing **networks and exchanges of good practice** between VET providers
- Creating tools, programmes and other materials to build the **capacity of institutions** from third countries not associated to the Programme
- **Creating mechanisms to involve private sector** (design and delivery of curricula, work-based experience)
- **Developing and transferring pedagogical approaches, teaching and training materials and methods**, including work based learning, virtual mobility, open educational resources and better exploitation of the ICT potential
- Developing and implementing international (virtual) **exchange activities for staff** primarily

In case learner and staff mobility activities are proposed, these should contribute directly to the objectives of the project
