# HOW TO PARTICIPATE

## Before creating your proposal

You will need the following:

1. To have a **valid EU Login account**. If you do not have EU Login you can create it [here](#)
2. Your organisation must have a **9-digit PIC** (Participant Identification Code). If your organization is not registered in the Participant Register you can register it at <https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/how-to-participate/participant-register>

The screenshot shows the EU Login interface. At the top, it says "EU Login" with the tagline "One account, many EU services". There are links for "Where is ECAS?" and a language selector set to "English (en)". The main heading reads "FPFIS requires you to authenticate" followed by "Sign in to continue". The central form has a text input field labeled "Use your e-mail address" with a yellow border. Below it is a blue "Next" button and a link for "Create an account". An "Or" separator is followed by the text "Or use the eID of your country" and a button with a person icon labeled "Select your country". At the bottom, there is a banner for the ECAS app with download links for the App Store, Google Play, and Microsoft.

- **Partners have to be relevant for your proposal and correspond to the Call requirements.** All participating organisations must have PIC (not validated is fine at application level).
- Ensure that **Part B – Technical Description is not longer than 120 pages** as the text on excess pages will not be visible for evaluators.
- Check in advance **recommended system configuration.**
- Validate and **submit the form well in advance (at least 48 hours before deadline).** You will be able to update your proposal until the call closure and submit updated version.
