Common errors in info on shareholding

• First encode the applicant **company** (i.e. not natural persons) in the ‘Instructions’ sheet

Common errors in info on shareholding

• Main activity: **only** to be filled in for legal persons, i.e. companies!
• If the shareholder is a legal person, provide the **full chain of shareholding** as requested, with **all the necessary elements** (nationality!), until the level of physical persons (or stock market) is reached.

If any of the listed shareholders is a legal person/company, please describe below the full chain of its own shareholders, including percentage of shares and nationalities. If the company is publicly listed, provide the location of the stock exchange.

**MAIN source of requests for additional information**

- Encode correctly the first day of Principal Photography
- Do not forget to **upload** the **PDF generated** from the MEDIA Database in the application
- **Do not forget to complete Part C and the language declaration**
- Make sure to upload the annexes in the right slot!!!
Frequent errors in applications - Other

• Do not add documents that are not requested

• Respect the template and applicable limitations for the creative dossier and do not insert documents under a downloadable link

• Submit rights contracts (and rights of adaptation) for ALL projects (including the short film if applicable) and make sure that they are sufficiently long in terms of duration

• Submit on time!

The better applications are structured, the quicker the evaluation, the quicker the decision!
